

The foster care and adoption programs have teamed up with Terracycle to recycle used inkjet printer cartridges, used toner cartridges, diaper and wipe packaging and personal beauty care projects. We have been recycling for the past year and have asked our staff, parents and other local communities agencies to help in this endeavor. The money raised from this is put back into the foster care and adoption programs for events or supplies for the children and families we serve. **Any type of inkjet cartridges are accepted.**

The following is a list of accepted toner cartridges:
